RL-4509WRE

 **to assemble**

dimension	600 x 500 x 450 [mm, +/-2]
size	9U
mass	23kg
static load	50kg
color	black

The RACK cabinet is made of thick powder-coated sheet metal, which ensures resistance to rust and paint abrasion and guarantees good appearance even after years of use. The front door is completed with durable, tempered glass. You can check the operating status of devices without opening the cabinet. There are ventilation holes in the ceiling to which fans can be attached. There is also a cap through which you can easily insert cables. The side latch walls have built-in plugs for lock installation.
