Hanging cabinets model: **RL-6618WZD**

RL-6618WZD

cabin size: 18U

cabin depth: 600 [mm]

better space utilisation

static load up to 60kg

RL-6618WZD

 **assembled**

dimension	600 x 905 x 600 [mm, +/-2]
size	18U
mass	approx 30kg
static load	60kg
color	light grey

The RACK cabinet is made of thick powder-coated sheet metal, which ensures resistance to rust and paint abrasion and guarantees good appearance even after years of use. The front door is completed with durable, tempered glass. You can check the operating status of devices without opening the cabinet. There are ventilation holes in the ceiling to which fans can be attached. There is also a cap through which you can easily insert cables. The side latch walls have built-in plugs for lock installation.
