

RL-P1000S

 **RACKTEL**

Shelf

static load: 15kg
includes mounting kit

RL-P1000S	
external dimensions [mm]	750 x 45 x 470 [+/- 2mm]
size	1U
weight	approx 2,5kg
static load	15kg

The presented shelf is made of high quality sheet steel in black. As the shelf is perforated, it facilitates air flow in the unit preventing it from overheating, thus reducing the risk of malfunction of the unit on the shelf. The shelf is assembled with screws.
